An orange informational box on the right states: 'Academic Bank of Credits has been established on the lines of the National Academic Depository (NAD), in the sense, NAD is the backbone of ABC, where the students' academic data are held and academic awards are stored (i.e. storehouse of academic awards). Despite the fact that ABC enables students to register or commence credit transfer, the final outcomes of credit redemption and issuance of certificates, as well as the compilation of award records, are administered by academic institutions via the NAD Platform. Hence being the owner of academic awards, Academic Institutions must mandatorily register themselves under ABC via NAD.'

Step 8: A screen will be displayed along with your ABC ID, By clicking on it you can able to get your ABC ID card with ID number as shown below

Thus you have successfully created DigiLocker account and ABC ID.

Download and save the ABC ID card and Printout of the ID card should be submitted to the Class Advisor with your name, register number and mobile number.
